NNN27 in Granada (Spain)

Patricia Sanchez-Lucas

October 2026

The University of Granada (UGR)

- Founded in 1531, it is **one of the oldest universities in Spain**
- More than **60.000 students every year** (90 bachelor's and 140 master's degrees)
- First European destination for international students (2000 Erasmus students)

Exceptional location at the city center, with modern lecture halls and unique historical venues

The Neutrino Group at UGR
